

# ALL INDIA INDEPENDENT CHURCHES UNION (AIIC-UNION)

**PSALMS 133:1 Behold, how good and how pleasant it is for brethren to dwell together in unity!**

## ***Beloved Servants of the God.***

Greetings to you in the name of the Father, Son and Holy Spirit.

Union means:-An Organization which fights for the rights, of a particular group of people.

There are several unions in India. They are :- Gazetted Officers Union and non-Gazetted Officers Union for those who are employed servants. There are unions for doctors, lawyers, railways coolies, rickshaw pullers. But there is no union for the Pastors and Gospel Preachers. The reason is that in the Christian community, there is no leader to fight for the Christian rights.

In the Christian community, there are some Associations and Fellowship, Councils for lay people, but for the Independent Pastors there is no union anywhere in India.

By the Grace of God and the inspiration of the Holy Spirit, On 5th June, 2006 for the First time we got registered as, The Independent Churches union of Andhra Pradesh (ICUAP).

In the month of October, 2008 The ICUAP has organized Nationwide conference wherein more than 1000 Men of God attended, the said conference was successful and many other state pastors came forward to join in our union and made a National committee. On that particular day, after the verdict of many experienced pastors we gave it as "All India Independent churches Union" (Aiic Union). We have established a National Office at Hyderabad, Telangana state, India

Through the Aiic Union we have supported Pastors who were in union and who were suffering with aches were paid Rs 5000/- per month towards hospital bills and medicines were provided. Bicycles were given to those who do not have bicycles, light, sound system and pulpits (Wood halters) were given to the free line Churches and pension of Rs 500/- per month was being given to pastors wives who were widows.

In the year 2009 October we established diocese called "Aiic Diocese" since that time onwards we are providing free Accommodation to the pastors at our diocesan office. Several pastors are using this Guest house every day as they come on ministry purpose or personal or family related things.

Then by the Grace of God, this Union and Diocese diversified into different states and cities in India.

i.e., Maharashtra, Karnataka, Assam, Orissa, Chattisgarh, Andhra Pradesh, Telangana, Madhya Pradesh, Punjab, Rajasthan, New Delhi and Tamilnadu. The Committees were formed quickly. We have strengthened the union at the National level.

I call upon all the Independent pastors to work hand to hand in the garden of God and struggle for rights.

Reason for establishing the Aiic Union:- Bringing the recognition to unorganized church pastors. Presently more than 10,000 (Ten Thousand) free line church pastors are members in our Aiic Union and Diocese in India. We are strengthening Spiritually the church pastors by providing Biblical training and issuing certificates along with the Marriage licenses and Identity cards for clergy men and for their church development and strengthening to win the new souls, simultaneously each pastor has to grow financially.

Secondly teaching the Methods how to spread the word of God to the Gentiles by protecting from the atrocities and attacks.

Isaiah 62:3 You will be a crown of splendor in the Lord's hand, a royal diadem in the hand of your God.

According to the above said word of God i.e. Isaiah 62:3 the church pastors and congregation should come to one conclusion by deciding to get into the politics so that the church pastors should become political leaders who could solve the atrocities, attacks and persecutions faced by the pastors, preachers and Christian communities in today's world.

In each and every state and city of India, if one of the pastors is elected as Political leader such as Member of parliament (MP), Member of Legislative Assembly (MLA), Ground level corporators, then we all Christian communities along with the pastors and Preachers can withstand against the atrocities faced by the Gentiles and also stop the barriers which are Hindering the spreading of the Gospel.
